## REMARKS

Entry of the above referenced amendment is respectfully requested. The issue fee has not been paid.

The Examiner required that Fig. 1 be labeled "Prior Art" and that labels 200, 202 and 204 be added to Fig. 2. Replacement sheets are attached.

No new matter is added and no additional search, examination, or substantial additional work on the part of the Patent and Trademark Office is required since the amendment merely corrects Figs. 1 and 2 in accordance with the Examiner's requirements.

In view of the above, Applicant respectfully requests entry of this amendment. If the Examiner has any questions or other correspondence regarding this application, Applicant requests that the Examiner contact Applicant's attorney at the below listed address.

Respectfully submitted,
